Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Friday 11 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Feeling warm, locally very warm with sunny spells.

This Evening and Tonight:
Cloud and associated patchy outbreaks of light rain slowly clearing the south through the evening, followed by clear spells. Overnight, remaining dry with winds gradually turning light. A fresher feeling night. Minimum temperature 7 deg C (45 deg F).

Saturday:
A dry start with sunny spells emerging through the morning. Plenty of lengthy sunny spells through the afternoon and into the evening. Feeling warm, locally very warm. Maximum temperature 23 deg C (73 deg F).

Outlook for Sunday to Tuesday:
Lengthy spells of sunshine during Sunday and feeling widely very warm. Sunny spells during Monday with increasing cloud later. Dry with variable amounts of cloud and sunny spells on Tuesday.
